1                   them.

2                   THE WITNESS: Sure.

3                   MR. SCHWARTZ: The most important ones are, if  
4                   you need to take a break for any reason, that's fine as  
5                   long as there's no pending question before you. Once you  
6                   give your answer to the question, if you want to take a  
7                   break, that's fine, we can take a break for any reason.  
8                   But if I do ask a question and you answer the question,  
9                   then I'm going to understand -- I'm going assume that you  
10                  understood the question that I was asking and your answer  
11                  was meant to be responsive to that question, is that fair?

12                  THE WITNESS: Yes.

13                  DIRECT EXAMINATION - 9:05 a.m.

14 BY MR. SCHWARTZ:

15 Q. Okay, approximately how many times have you been deposed,  
16                  or I should say have you given deposition testimony in a  
17                  capacity as a representative of Equity Experts?

18 A. Five to ten.

19 Q. Okay. And let me back up. Where are you currently  
20                  employed?

21 A. Equity Experts.

22 Q. Okay, and do you have a title at Equity Experts?

23 A. Vice-president, general counsel.

24 Q. Okay, and how long have you been -- let's start over. How  
25                  long have you been employed in total at Equity Experts?
